MS AF  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

**TERMINAL DISCLAIMER**

Dear Sir:

I, Jeanne M. DiGiorgio, declare that I am authorized to execute this terminal disclaimer on behalf of Celldex Therapeutics, Inc., the assignee of the entire rights in the above-identified application, as evidenced by the Assignment recorded in the U.S. Patent and Trademark Office on April 21, 2004 at Reel 014539, Frame 0695.

Pursuant to 35 U.S.C. §253 and 37 C.F.R. §1.321, Celldex Therapeutics Inc. hereby disclaims the terminal portion of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of any patent issuing from US Serial Number 10/903191, entitled "ANTIBODY VACCINE CONJUGATES AND USES THEREFOR." Celldex Therapeutics, Inc. also hereby agrees that any patent so granted on the present application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent issuing from US Serial Number 10/903191, and that this agreement will run with any patent granted on this application and will be binding upon the grantee, its successors or assigns.

Celldex Therapeutics, Inc. does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of any patent issuing from US Serial Number 10/903191, in the event that such patent expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutory disclaimed in whole or is terminally disclaimed under 37 C.F.R. §1.32(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Dated: August 12, 2008

Respectfully submitted,

By
